Education

Dartmouth College, Hanover, NH **June 2028**
Major in Quantitative Social Science (Behavioral Econ concentration), minors in Human Centered Design & Spanish
Awards: Dartmouth Honor Roll x2, 2025 Dartmouth Data Viz Winner
Other Activities: Tuck Pathfinders, Evergreen AI Research Assistant, Buenos Aires Foreign Study Program **GPA 3.9/4.0**

Relevant Experience

Incoming Commercial Intern - U.S. Embassy Lima, U.S. Department of Commerce **Jan 2027 – Mar 2027**
- Participate in client meetings with U.S. companies entering Peru, capture client requirements and translate them into research briefs for Embassy commercial specialists
- Conduct market competitive, stakeholder, and user-facing research across mining, energy, and aerospace

Founding Product Designer - LavaHire **May 2026 - Aug 2026**
- Served as founding product designer for an ATS platform built from an empty repo to a live production app (lavahire.com), owning UIUX design, product roadmap, and product strategy
- Designed and shipped 5+ full-stack features end-to-end — from Figma wireframes and written product specs through implementation with Claude Code and Claude Design, including a two-stage questionnaire system integrating AI
- Established the product's design system in Figma (color tokens, light/dark theming, typography) and authored spec documentation (flow diagrams, decision logs) that aligned product scope with engineering delivery

Product Designer - DALI - Digital Applied Learning and Innovation **June 2026 - Present**
- Drove UX design for Evergreen, an AI wellness platform serving 600+ Dartmouth students
- Designed interactive data-visualization dashboards translating student health metrics into product decisions
- Present deliverables to Evergreen leadership in weekly client meetings, scoping and iterating across a 10-week sprint

Design Consultant Analyst - Design Initiative at Dartmouth **Sep 2025 – Present**
- Applied human-centered design methods, including interviews, personas, ideation, journey mapping, and ideation
- Drove curriculum changes for Dartmouth's Spanish & Portuguese Dept., reaching 300+ students annually
- Synthesized 30+ student interviews into a mentorship program adopted department-wide, serving 60+ students per term

Intern - StreetCode Academy **Nov 2025 – Dec 2025**
- Collaborated with executives to support a leading tech education non-profit supporting 5000+ students per year
- Designed and programmed a webpage on AI awareness and integration for StreetCode
- Developed visual outreach materials on Canva and helped distribute 200 free computers to digitally-lacking families

Intern - Dartmouth Women in Science Project **Jan 2025 – June 2025**
- Built custom Qualtrics surveys (HTML/CSS) with Prof. Murnane & Dr. Doris, capturing 40+ patient responses
- Applied ANOVA in R to patient-preference data, informing user-centered design specs for a Parkinson's center in New York serving 1,000+ patients

Leadership and Service

American Association of University Women, UCSB, UCSD, virtual **Sep 2021 – Present**
Tech Trek State Data Analyst, Lead Programs Coordinator, and Build Coach
- Directed California data strategy for a statewide STEM initiative reaching 10,000+ students annually
- Designed and taught STEM curriculum to 250+ students across 4 California campuses
- Built and managed a 16,000-record alumnae database with Python and Caspio to track engagement and long-term outcomes, replacing manual tracking across California branches on Caspio

Willa and Sienna Aylaian Higher Education Fund Co-Founder **Sep 2021 – Present**
- Co-founded and led a donor-funded initiative raising $10,000+ to support girls' access to higher education
- Built fundraising model through 50+ personal art sales and donor outreach
- Partnered with Community Foundation for Monterey County to manage grant allocation and distribution

Filipino Club Co-Founder, Dartmouth College **Feb 2026 – Present**
- Relaunched Dartmouth's Filipino cultural club after a 10-year hiatus, uniting 40+ founding members
- Liaised with Asian Studies Department and Council on Student Organizations, securing $1,000+ in funding
- Developing a launch plan for the upcoming term including 4 cultural events and a projected 50+ member base

Activities, Skills, and Interests

Skills: Claude Code & Design, Figma, Python, Java, Google Docs, Canva, Photoshop, information architecture, user flows
Languages: English (native), Spanish (proficient)
Interests: sustainable fashion, Latin American rock
